

Due Date Extension for Expression of Interest & Request for Proposal (RFP)

DT. 30.9.11

Ammnd. Dt. 13.10.11

Our company Bharat Pumps & Compressors Ltd., (A Public Sector Undertaking under the control of Ministry of Heavy Industries & Public Enterprises, Govt. of India), now a mini ratna company was incorporated in 1970 with manufacturing facility at Naini, Allahabad. The company is engaged in manufacture and supply of heavy duty pumps & compressors and high pressure seamless and CNG gas cylinders / cascades to cater the needs of oil exploration & exploitation, refinery, petro-chemicals, chemicals, fertilizer and down stream industries. BPCL has unique distinction of manufacturing all the three types, reciprocating compressors, reciprocating pumps and centrifugal pumps under one roof. The high pressure seamless and CNG gas cylinders / cascades are also manufactured in our plant for meeting the requirement of power sector, industry sector, defense, medical and city gas distribution.

BPC has entered into MOU with CSMCRI, Bhavnagar for setting up a manufacturing plant at Naini, Allahabad for TFC (Thin Film Composite) Membrane. BPC has also entered into another MOU with IRCTC ,New Delhi for setting up a manufacturing facility for Packaged Drinking Water Plant at Naini, Allahabad.

We invite proposal for preparation of DPR (Detailed Project Report) in respect of above two areas from experienced consultants.

The detailed project report to cover market analysis, demand forecast, P&M and list of suppliers plant layout investment & profitability and all other relevant details pertaining to the complete project is required to be made. Also the selected consultant shall be involved in the implementation of the project.

The interested consultants who are dealing in the above areas shall submit their proposal in two parts Technical and Commercial separately in sealed envelope.

The last date for submission of expression of interest and proposal along with record of their past consultancy work in above area is 15th. Oct. 2011.

The due date for submitting" expression of interest" along with past consultancy record in similar area is being extended up to 25th. of October.11 for both projects.

The due date for submitting technical and price bid for consultancy work is also being extended for both projects. The revised due date for Packaged Drinking Water is 15th. of

November,2011 and for TFC membrane plant is 25th. of November, 2011. The scope of work for consultancy work/ term of reference is also attached with this notice.
